The easiest way is just to click "Browse" or "Choose File" on the right side of any page and you will be led through the process of sending your image to us. Or, if you prefer, you can order by email or phone (843.577.7501). If you phone, we'll discuss your order with you and resolve any questions you may have.

If you have a digital file, you can send it as an email attachment.

In any case, your finished ArtSurround canvases will be shipped within a few days.
