

How long does it take?

Written by Walter Lecroy

Monday, 09 March 2009 20:56 - Last revised Monday, 03 August 2009

We will ship your finished Art Surround works within a few days of receiving your order. We aim for 48 hour turn-around, but sometimes we may take a little longer - if getting your print right demands it.

We ship normally by UPS ground, and add the actual UPS charges to your order. You will be shown what they are during the ordering process.
